School Uniform Price Increases

Dear All,

We feel that we should inform you at an early stage, of the need to make slight increases in the cost of some items of school uniform – certain items will not change however, but due to increased production costs in our factories, we will need to make a little adjustment in some areas.

We can assure you that we have looked at the situation carefully, and have tried to limit the increases as much as possible

We would like to introduce these increases from Aug 1st onwards, so that they will already be in place for the beginning of the new academic year in August - therefore, we feel that we should inform you well in advance.

We regret that we have to introduce these new prices, but we trust that you will understand and appreciate our situation.

Should you require any clarification or further details, please do not hesitate to contact me.

Yours truly  
Ricky Wong  
General Manager
